

## **Muluemebet Chekol Hunegnaw**

As the Senior Director of Save the Children's Global Monitoring & Evaluation and Knowledge Management Unit, Mulu is responsible for providing leadership for setting the vision and strategy of the monitoring and evaluation and knowledge management system of its International Programs in over 50 countries, with an annual budget of over \$500 million. She works to institutionalize a comprehensive monitoring and evaluation system coupled with a knowledge management initiative to improve the accountability and transparency of Save the Children. Mulu has over 20 years of experience in international development. She recently served as Director of Programs for Africa Region, Director of Save the Children's South Sudan Program, and worked as the Mission's Monitoring and Evaluation Advisor for the US Agency for International Development in Ethiopia.
